<i>

One knows that 'The Taj' is one amongst the World's Wonders! One knows that it is one
amongst the UNESCO World Heritage Sites!! One knows The Taj as a legend of eternal love
of an pxperor for his favourite Queen!!!

</fdiv>

<i>

Well, 'The Taj' has distinctions much beyond just these! Therefore, 'The Taj', surely, deserves
your visit once and more!!!

<i>

Come, Walk along the pathway beside the reflecting pool with fountains upto the
mausoleum crafted in soft & pure marble and jewelled with spxi precious stones, where in
the serenity of paradise rests the Queen in peace with her King. Come to unfold the pages
from the past to churn the charm out of its mystique and enrich your imagination about this
marvel of an epic in stone, The Taj!

Come take a dip into the saga of 'The Taj', culled out from no fiction but facts and unfurl a
saga, which is set out of nothing but pure love!

Beauty lies in the eyes of the beholder! Probably for Taj Mahal, the axiom is just the other
way round. The Taj is the beauty personified! The Taj displays its different moods through its
varied shades. The Taj has as many shades as any kind of beauty can ever have! The Taj is
pinkish in the morning, milky white in the evening, golden when the moon shines and the
intermediary variants during different hours of the day and during different seasons in a
year.

Picturesque descriptions by the historians contpxporary to the period of its making, the facts
revealed by the scholars & archaeologists of today and the panoramic montage of the
reasons behind its making are sketched with every step you would walk towards the
mausoleum the next time you visit The Taj!

A look this time at the Taj will keep you indulged with thoughts superimposing your sight
and would make you feel the presence of Shah Jahan, the Maker and Mumtaz Mahal, the
Reason, as though walking along with you.

Whence its breathtaking splendour makes you wonder breathlessly and you tend to pause
for a while but to continue staring at 'The Taj', you would sense thpx standing beside you!

If one has a heart that beats and that beat throbs to seek, the purity of love in galore! Surely one deserves a visit to 'The Taj', as much as 'The Taj' deserves your visit once, and more!

Come to The Taj with blissful pride! Bring the saga come alive!! Come: fall in love every time!!!
